

Branson Boot Camp Letter

January 25 - 27, 2019

Hello and Welcome to the January 25-27, 2019 Branson bootcamp ... and a very special welcome to first time attendees and especially those attending from outside our immediate area! The entire weekend has been organized around our boot camp theme “Light Your Flame, Ignite the World.” Our goal is to provide you with the knowledge, skills, and inspiration to set your new year on fire!

At the bootcamp you will have the opportunity to meet and learn from many people - people just like you - in the Juice Plus community. Be sure to plan on plenty of opportunity for networking! Our speakers and presenters will be insightful, informative, and inspirational. But for many, the real magic is found in the relationships they are able to build with their upline and team members during the weekend time together.

We are pleased to offer a special “Team Builders” seminar at the boot camp on Friday from 1:00 – 4:00 PM. Although this event is held in conjunction with the boot camp, it is separate in that it requires a special registration and purchase (see LMlevents.net).

In addition, we are adding a Friday night party from 7:00 -10:00 pm for all boot camp attendees. Plan to attend this kickoff event to network, enjoy great music, dancing, a cash bar, and simply have fun with others in the Juice Plus community. Doors will open at 6:30 and the cash bar will be available from 6:30 - 10 pm. There will also be a photo booth open from 7:30 – 9:30 pm for you to take pictures and share with others on social media the excitement of our Branson Boot Camp theme: “*Light your Flame, Ignite the World*”. If you like the white theme idea, wear your favorite white outfit, white shirt or pants or wear whatever you want that will put you in the mood to have fun as we get “Ignited” together.

Registration – Pick up your name badge and materials under the tree in the lobby of the Chateau during the registration hours on Friday, January 26 from 11:00 AM to 1:00 PM or from 6:00 PM to 7:00 PM. At registration you will receive a name badge and bootcamp packet. Please wear your name badge at all times as it identifies you as a member of the bootcamp community in addition to giving those around you a visual reminder of your name.

Travel – If you are flying into Branson, you will be able to take a taxi to the venue. If you are flying into the Springfield airport you will either have to arrange for someone to pick you up or arrange to rent a car.

Lodging – Our bootcamp will be held once again at Chateau on the Lake. If you are staying at the Chateau you will be able to go directly from your room to all bootcamp sessions and meals. If you purchased lodging at Thousand Hills or Holiday Inn Express, you will need to have transportation to and from the Chateau, which is a few miles away.

Saturday evening is kept open so bootcamp participants are free to spend time with others on their team, perhaps enjoying an evening out in Branson. Those staying at Thousand Hills will find that the condos are equipped with kitchen facilities and supplies for those wanting to prepare and share food in their condo.

Safe travels!
