Hello and Welcome to the June 9-11 Branson bootcamp ... and a very special welcome to first time attendees and those traveling from outside our immediate area to attend!

At the bootcamp you will have the opportunity to meet and learn from many people, people just like you, in the Juice Plus community. Be sure to plan on plenty of opportunity for networking! Our speakers and presenters will be insightful, informative, and inspirational. But for many, the real magic is found in the relationships they are able to build with their upline and team members during the weekend time together.

Travel – If you are flying into Branson, you will be able to take a taxi from the airport to Chateau by the Lake. If you are flying into the Springfield airport you will either have to arrange for someone to pick you up or arrange to rent a car.

Lodging – The Chateau on the Lake is a new venue for us this year. If you are staying at the Chateau you will be able to go directly from your room to all bootcamp sessions and meals. If you purchased lodging at Thousand Hills or Holiday Inn Express, you will need to have transportation to and from the Chateau, which is a few miles away.
